

City Of Seagraves

Meeting Minutes
City of Seagraves, TX

PUBLIC HEARING
SEAGRAVES GARDEN APARTMENTS PROPOSED TAX CREDIT
October 11th 2019 01:00 PM
City Hall

Alderman Sellers, Alderman Valles

Guests present: None

- 1) Hearing Convened 01:00PM
- 2) Concerns of the Director of Public works were stated by the City Secretary. The existing main sewage drain line is lower than the city sewage main. The tap is below the main and the situation causes frequent sewage back-ups and the settlement of grease build-up. The city must frequently clean out and sweep the complex main drain. Renovations should include measures to raise the drain line or the installation of a lift station to maintain a constant flow.

Alderman Valles voiced the desire of Higginbotham Bartlett Company to have a representative from Hamilton Valley Management come to Seagraves and meet with representatives from Higginbotham-Bartlett Company to discuss materials and supply logistics requirements.

- 3) Hearing adjourned at 01:15PM due to non-participation.

Charles Evans, Mayor

Attest:

Dan Grife City Secretary
